On the other side of town a boy is waiting  
 with fiery eyes and dreams no one could steal  
 She drives on through the night, anticipating  
 Cos he makes her feel the way she used to feel

**Verse 5:**

She rushes to his arms, they fall together  
 She whispers that it's only for a while  
 She swears that soon she'll be coming back forever  
 She pulls away and leaves him with a smile

**Chorus 1:**

You can't hide your lyin' eyes  
 and your smile is a thin disguise.  
 I thought by now you'd realize  
 There ain't no way to hide your lying eyes.

**Verse 6:**

She gets up and pours herself a strong one  
 And stares out at the stars up in the sky  
 A-nother night, it's gonna be a long one;  
 She draws the shade and hangs her head to cry

**Verse 7:**

She wonders how it ever got this crazy  
 She thinks about a boy she knew in school  
 Did she get tired or did she just get lazy

She's so far gone, she feels just like a fool

**Verse 8:**

My, oh my, you sure know how to arrange things;  
You set it up so well, so carefully  
Ain't it funny how your new life didn't change things;  
You're still the same old girl you used to be.

**Chorus 2:**

You can't hide your lyin' eyes  
and your smile is a thin disguise.  
I thought by now you'd realize  
There ain't no way to hide your lying eyes.

**end:**

There ain't no way to hide your lyin' eyes  
Honey, you can't hide your lyin' eyes.
